[Primeira Parte]

D7M We met each other on the neon dinghy
Em7 Past the manta rays and palm trees

Glowing creatures beamed
D7M Down from great heights

Electric eels in red venom
Em7 In the sky, we could see

The riders on the horseback
D7M On comets, coming toward us

Kicking up with laughter
Em7 My friend Big Twitchy rode

The boat to the light
D7M Surfing the north break

We danced until there was nothing left
Em7 Just me and Twitchy

'Cause that's all we knew

[Ponte 1]

D7M Ah, ah, ah, ah

Ah, ah, ah, ah
Em7

Ah-ah, ah-ah
D7M

Ah, ah, ah, ah

Ah, ah, ah, ah
Em7

Ah-ah, ah-ah

[Refrão]

D7M You're questioning the science

'Cause you don't understand

How I'm doing what I'm doing

In a fucking handstand

Em7 You found it so impressive

That I do it again

Acordes

My other one is busy

So I use my left hand
D7M

We took it kinda fast

But you're putting it slow

I see your mother's calling
And you're hitting ignore

Em7 It's like you saw an unicorn

You don't understand

How I'm doing what I'm doing

In a fucking handstand
