

Miley Cyrus - High

tom:

F

Afinação Drop D: D A D G B E

[Primeira Parte]

Sometimes I get a little too hurt

Got my mind goin' places

It ain't wanna go

Sometimes I get a little too low

And I can't see myself

Through the fire and smoke

And you, like a neon light

Shinin' through a door

That I can't keep closed

And you, like a rolling stone

Always buildin' cities

On the hearts that you broke

[Refrão]

And in my head

I did my very best saying goodbye

Goodbye

And I don't miss you

But, I think of you and don't know why

I still feel high

I still feel high

(Bb F C Dm)

[Segunda Parte]

Sometimes I stay up all night

'Cause you don't ever talk

To me in my dreams

And I think about eventually

You're holdin' me

And dancin' to the record

Like a movie scene

[Refrão]

And in my head

I did my very best saying goodbye

Goodbye

And I don't miss you

But, I think of you and don't know why

I still feel high

[Ponte]

I still feel high

Oh, oh ,oh, oh, oh, oh

Oh, oh, oh, oh, oh, oh, oh, oh

Sometimes I get a little too hurt

Got my mind goin' places

It ain't wanna go

[Refrão]

And in my head

I did my very best saying goodbye

Goodbye

And I don't miss you

But, I think of you and don't know why

I still feel high

I still feel high

Oh, oh ,oh, oh, oh, oh

Oh, oh, oh, oh, oh, oh, oh, oh

I still feel high
