

Miley Cyrus - I Get So Scared

Tom: G

^D
They say love grows, but I've only seen it die ^{Em}
^D
I'm too young to feel like I'm runnin' out of time ^{Em}

^D
I get so scared

Thinkin' I'll never get over you ^{Em}
^D
I'll always be making a compromise ^{Em}
No matter what I do, ooh
^D ^{Em}
And maybe I'll never get over you

^D ^{Em}
I've heard no one controls what happens in our lives
^D
^{Em}
The universe gets to decide, our future is written up here in the sky

^D
And I get so scared

Thinkin' I'll never get over you ^{Em}
^D
Everything I've imagined ^{Em}

And none of our plans coming true

^D
I met someone new and now I'm scared to go all the way
^{Em}
I hear you in my mind and can't let go of what you used to say
^D
I'm freakin', it's repeating when you said there'll never be a day
^{Em}
When letting go feels like before tonight we're tryin' anyway

^D
And I get so scared

Thinkin' they'll all be just like you ^{Em}
^D
All the ways that you hurt me

And all of the shit you put me through ^{Em}

^D
But, baby ^{Em}

I'm only just like you
^D ^{Em}
Or maybe, I'll never come close to you
^D ^{Em}
So maybe, I'll never get over you
^D ^{Em}
Baby

Acordes
