 I never came to the beach, or stood by the ocean

 But you brought me here and I'm happy that you did  
 G G G G G G  
 'Cause now I'm as free as birds catching the wind  
 G G G G  
 I always thought I would sink, so I ne - ver swam

 I never went boatin', don't get how they are floatin'

 But here I am, next to you

 The sky is more blue in Malibu

 We watched the sun go down as we were walking

 You would explain the current, as I try to smile  
 Bm C Bm  
 Hoping I just stay the same, and nothing will change  
 C G G G  
 And it'll be us, just for a while. Do we even exist?  
 G G G G

That's when I make the wish, to swim away with the fish

G G G G  
 Is it supposed to be this hot all summer long?  
 Bm C Bm  
 I never would've believed you if three years ago you told me  
 C Em Am  
 I'd be here writing this song

[Chorus]

G Bm Em Am  
 But here I am, next to you

 We are just like the waves that flow back and forth
