Capostrate na 3ª casa

Intro: C Am Em

[Refrão]

This world can hurt you  
 It cuts you deep and leaves a scar  
 Things fall apart, but nothing breaks like a heart  
 And nothing breaks like a heart

[Verso]

I heard you on the phone last night  
 We live and die by pretty lies  
 You know it, oh, we both know it  
 These silver bullet cigarettes  
 This burning house, there's nothing left  
 It's smoking, we both know it  
 We got all night to fall in love  
 But just like that we fall apart  
 We're broken, we're broken

[Pré-Refrão]

Mmm, well nothing, nothing, nothing gon' save us now

[Refrão]

Well, there's broken silence  
 By thunder crashing in the dark (Crash in the dark)  
 And this broken record  
 Spin endless circles in the bar (Spin 'round in the bar)  
 This world can hurt you  
 It cuts you deep and leaves a scar  
 Things fall apart, but nothing breaks like a heart  
 Mhmm, and nothing breaks like a heart

[Verso]

We'll leave each other cold as ice  
 And high and dry, the desert wind  
 Is blowin', is blowin'

Remember what you said to me?  
 We were drunk in love in Tennessee  
 And I hold it, we both know it

[Pré-Refrão]

Mmm, nothing, nothing, nothing gon' save us now  
 Nothing, nothing, nothing gon' save us now

[Refrão]

Well, there's broken silence  
 By thunder crashing in the dark (Crashing in the dark)  
 And this broken record  
 Spin endless circles in the bar (Spin 'round in the bar)  
 This world can hurt you  
 It cuts you deep and leaves a scar  
 Things fall apart, but nothing breaks like a heart  
 Mhmm, and nothing breaks like a heart  
 Nothing breaks like a heart  
 Mhmm, and nothing breaks like a heart
