

Miley Cyrus - Pablou

Tom: C

Verse 1:

How can I love someone I never touched?
 You lived under the water, but I love you so much
 You never been on land, and you never seen the sky
 You don't know what a cloud is, why does everything I love have to die?
 They all wanted to see you be as big as you could be
 But I couldn't let that be
 By keeping you small, by keeping you safe
 If I could do it again, I'd release you to sea
 Cause I can't bear to see
 Something so wild just die in a tank

Refrão:

And Pablou the blowfish
 I miss you so much
 And Pablou the blowfish
 I miss you so bad

Verse 2:

On Saturday night, we all went out to eat
 But I can never decide, so someone chose sushi
 I got soup, and I ordered rice

But watching my friends eat my friends, ruined my appetite

Refrão:

Oh, Pablou the blowfish
 If they only knew you like I do
 They'd love you too
 And Pablou the blowfish
 I miss you so bad

Verse 3:

I won't forget, even one second we had
 Cause you might be gone, but you could never be dead
 I heard of a seahorse named Sadie, I heard she was quite the lady
 Maybe you'll find her and you could make babies
 That'd be kind of crazy

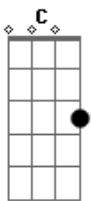

Bridge (Sad Part)

If Pablou the blowfish
 Found love deep in the sea, Then that would mean
 Pablou the blowfish
 Is better off than here with me

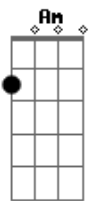

Outro:

But Pablou the blowfish
 I miss you so bad...
