

Miley Cyrus - Rainbowland

Tom: Gb

N.C.
 Hey, Miley
 It's me, I'm in Nashville
 I'm on my way to Dollywood, busy as you are
 Can't get enough stuff to do, can't we
 But anyway, I'm excited about singing with you
 So I'm just gonna turn my CD player on with you singing
 I'm gon' put this on a cassette
 Sing along with it, and then I'll run you off a CD later
 Oh, I'm so high tech, I got a flip phone too
 But anyhow, see what you think and mmm, here I go

[Verse 1]

Come on
 Livin' in a rainbowland
 Where everything goes as planned and I smile
 ?Cause I know if we tried
 We could really make a difference in this world
 I won't give up or sleep a wink
 It's the only thought I think
 You know where I stand
 I believe we can start livin' in a rainbowland

[Chorus]

Livin' in a rainbowland where you and I go hand in hand
 Oh, I'd be lyin' (I'd be lyin'), if I said this was fine
 All the hurt and the hate going on here (hate going on here)
 We are rainbows, me and you
 Every color, every hue, let's shine through
 Together we can start livin' in a rainbowland

[Verse 2]

Living in a rainbowland
 Where skies are blue and things are grand
 Oh, wouldn't it be nice to live in paradise

Where we're free to be exactly who we are
 Let's all dig down deep inside
 Brush the judgment and fear aside
 Make wrong things right (wrong things right)
 And end the fight 'cause I promise ain't nobody gonna win
 (C'mon)
 [Chorus]
 Livin' in a rainbowland where you and I go hand in hand
 Oh, I'd be lyin' (I'd be lyin'), if I said this was fine
 All the hurt and the hate going on here (hate going on here)
 We are rainbows, me and you
 Every color, every hue, let's shine through
 Together we can start livin' in a rainbowland
 [Interlude]
 Ooohh, ooohh, ooohh, ooohh

[Chorus 2]

Livin' in a rainbowland
 Where you and I go hand in hand together (let's do it together)
 Change things forever (forever)
 I know there's got to be a greater plan
 We are rainbows, me and you
 Every color, every hue, let's shine through
 Together we can start livin' in a rainbowland

[Outro]

 Hey, Miley
 Look, I know it sounds scrambled when I'm singing it with you
 But I thought we can do a little bit better
 At least, I might not get it all the way through
 'Cause I'm not sure of the structure without you
 But I think this could work well, don't you?
 If not, like I said, I'll write that love song for you
 You probably wrote it about some boy you loved, didn't ya?
