

# Miley Cyrus - So Not Over You

Tom: Db

**Ab**  
 I can't help my self from sittin here missin you  
**Db**  
 i was only playing when i said that we're through  
**E**  
 just likin you  
**Gb**  
 every time that i fall for you  
  
 i'm sick of these games  
**Ab**  
 i keep on tryin  
  
 and you just keep on lyin  
**Db** **E**  
 and just like sombody breaking your trust when its handed to  
 you  
**Gb**  
 i'll never fall in love with you  
**Ab**  
 i'm so not over you  
**Db**  
 Yeah  
**E** **Gb**  
 whoa yeah  
**Ab**  
 is it so wrong  
**Db**  
 that i still wear your ring  
**E**  
 even though its so cheap  
**Gb**  
 and now my finger's green  
**Ab** **E**  
 you can try to say  
**Ab** **E**  
 that i didn't mean anything anyway  
**Ab**  
 you can keep on thinkin i'm sittin here missin you  
**Db**  
 but i wasn't playing when i said that we're through  
**E**  
 just likin you  
**Gb**  
 every time that i fall for you  
  
 i'm sick of these games  
**Ab**  
 i keep on tryin if you just keep on lyin  
**Db**

just like somebody breaking your trust  
**E**  
 when its handed to you  
**Gb**  
 i'll never fall in love with you  
  
**Ab** **E** **Gb**  
 you, make me smile  
 take my hand  
 and don't let go i want you to know  
**Ab** **E** **Gb**  
 i love you all the while  
 cry no more  
 like before  
 so its on you  
  
**Ab**  
 i can't stop myself from sittin here missin you  
**Db**  
 with no regrets the day i said that we're through  
**E**  
 just like you do  
**Gb**  
 every time i fall for you  
**Ab**  
 you'll keep lyin  
 but i will keep tryin  
**Db**  
 just like somebody breaking your trust  
**E**  
 when its handed to you  
**Gb**  
 i'll never fall in love with you  
  
**E**  
 saying now or never  
 i'd rather it be forever  
**Gb**  
 yeah we'll make it through  
**E**  
 i got the rest of my life  
 we'll make it right  
**Gb**  
 just promise you'll be true  
 and i'll wait for you yeah ah ah  
**Ab**  
 cause i'll never get over you  
**Db**  
 yeah  
**E**  
 whoa  
 yeah
