

Miley Cyrus - Tiger Dreams

Tom: G

Am Em
The first who holds servility is probably right

Am Em
The second who holds servility is probably wrong

Em Am
But why do people only show forgiveness

Em Am
We may wanna sound cool in this song

Bm Gbm
So I keep trying to understand where we have gone

Bm Gbm
I keep searching for some man in my dreams

Am Em
And Im dreaming I've been eaten by a tiger

Am Bm
While I feel like I'm still a schoolgirl in my dream

Am Bm
And we always end up singing the same song

Gbm Bm
Yeah it reminds us of the coolest shit in the world

Am Em
But they also remind us we are dying

Am Em
So thats why we want to sing them even more

Am Em
I think you're gone with all your bullshit

Am Em
I had a dream that we were in a flee of tribes

But why do people let me keep dreaming
Bm Gbm
About something, so bad

Bm Gbm
This is such a weird fucking dream

Bm Gbm
That we were standing in the sky next to the rain

Dbm Abm
Changing hearts with all the terros, not me your pharaoh

Am Bm
Those religious fucks will never define a dream

Am Bm
And we always end up singing the same song

Dbm Abm
Yeah it reminds us of the coolest shit in the world

Am Em
But we can't control this dream

Am Gbm
I can't really tell anymore

Am Em
Yeah, we always end up singing the same song
(we always end up singing the same song)

Am Em
No one will get the truth that you were wrong

Am Em
Oh we always end up singing the same song

Dbm Abm
Yeah we always end up singing the same song

Em Am
Always people forget that you were wrong
