

# Miley Cyrus - Violet Chemistry

tom:  
 Capotraste na 1ª casa  
 Intro: G7M Em

[Primeira Parte]

When the floor is wet  
 And the lights come on  
 But you don't wanna leave  
 And your phone is lost  
 But the car's outside  
 Waitin' out on the street

[Pré-Refrão]

Tonight, we'll be just be wrong  
 Ain't done this in so long  
 We ain't gotta talk

Baby we'll keep the stereo on  
 When the floor is wet

And the lights come on  
 But you don't wanna leave

[Refrão]

Stay a while  
 Stay a while with me  
 Stay a while, don't deny  
 The violet chemistry  
 Stay a while  
 Stay a while with me  
 Stay a while  
 Put your arms around me  
 Put them around me

[Segunda Parte]

When the floor is wet  
 And the lights come on  
 But you don't wanna leave  
 Can I bum a cigarette?

We could paint our names  
 In black on the marquee

[Pré-Refrão]

Tonight, we'll be just be wrong

Ain't done this in so long  
 We ain't gotta talk

Baby we'll keep the stereo on  
 When the floor is wet

And the lights come on  
 But you don't wanna leave

[Refrão]

Stay a while  
 Stay a while with me  
 Stay a while, don't deny  
 The violet chemistry  
 Stay a while  
 Stay a while with me  
 Stay a while  
 Put your arms around me  
 Put them around me

[Ponte]

Fingers start to dance along

The figures and the shapes  
 Mixing all the colors

Like we're makin' a Monet  
 There's something between us

That's too major to ignore  
 May not be eternal but

Nocturnal, nothin' more  
 Fingers start to dance

Along the figures and the shapes  
 Mixing all the colors

Like we're makin' a Monet  
 There's something between us

That's too major to ignore  
 May not be eternal but

Nocturnal, nothin' more

[Pré-Refrão]

Tonight, we'll be just be wrong

Ain't done this in so long  
 We ain't gotta talk

Baby we'll keep the stereo on

[Refrão Final]
