

Miley Cyrus - Week Without You

Tom: G

G If I spent a week without you
 Am Bet you'd wonder what I'd do
 G I think that I'd start going out
 Am Get caught kissing other dudes
 G And it seems you just wanna bring me down, down
 Am With your bad attitude (bad attitude)
 G When you know I'm not one to keep dealing with the shit
 Am That you put me through
 G I know that I gave you my heart
 C But you stomped it to the ground
 G And that's what's got me wondering what it's like
 C To not have you around
 G If I spent a week without you, hmm
 Am I'd probably have so much fun (have so much fun)
 G First things first, I'd gather up all my girls, yeah
 Am So we can lay out in the sun
 G Oh, it'd be so nice not to worry
 Am How I'd love not to stress
 G I'd go and grab my old blue jeans
 Am N.C.

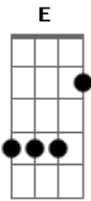

I'm sick of wearing this silly dress

G I know that I gave you my heart
 C But you stomped it to the ground
 G And that's what's got me wondering what it's like
 C To not have you around
 G You know I'd miss you, babe
 E Feels like I've known you since I was just 7 years old
 D You used to make me smile, but now you don't do that anymore
 E It feels like I'm always just crying and sleeping alone
 D But when I think of you gone
 G I know, I know that I gave you my heart
 C But you stomped it to the ground
 G I don't want to wonder what it's like
 C To not have you around
 G To not have you around, to not have you around
 G To not have you around, to not have you around
 G You know I'd miss you, babe
 C You know I'd miss you, babe
 G You know I'd miss you, babe
 C G (Know I'd miss you)
