

Miley Cyrus - Wherever I Go

Tom: Gb

Here we are now
 Everything is about to change
 We face tomorrow as we say goodbye to yesterday
 A chapter ending but the stories only just begun
 A page is turning for everyone

So Im moving on
 Letting go
 Holding on to tomorrow
 Ive always got the memories while Im finding out who Im gonna be
 We might be apart but I hope you always know
 Youll be with me
 Wherever I go

So excited I can barely even catch my breath
 We have each other to lean on for the road ahead
 This happy ending is the start of all our dreams
 And I know your heart is with me

So Im moving on
 Letting go
 Holding on to tomorrow
 Ive always got the memories while Im finding out who Im gonna be
