

# Milky Chance - Bad Things

Tom: C

C Am Em F  
Getting through to you  
C Am Em F  
Is what I'm aiming for  
C Am Em F  
Won't you hear me now  
C Am Em F  
Like you've done before

A G Em F  
Are we going round in circles  
A G Em F  
Are we running out of time, are we  
A G Em F  
Are we losing something precious  
A G Em F  
Are we hanging onto something special  
Em A  
I think so

C Em  
'Cause when you're conquering my day and night  
Am F  
Easing the pain inside  
C Em  
Got me loving all of the time  
Am F  
Keep the bad things out of my mind, out of my mind

C Am Em F  
Eyes caressing my skin  
C Am Em F

Undressing my every flaw  
C Am Em F  
Ooh will we sink our swim  
C Am Em F  
We're blinded on an empty shore

A G Em F  
Are we going round in circles  
A G Em F  
Are we running out of time, are we  
A G Em F  
Are we losing something precious  
A G Em F  
Are we hanging onto something special  
Em A  
I think so

C Em  
'Cause when you're conquering my day and night  
Am F  
Easing the pain inside  
C Em  
Got me loving all of the time  
Am F  
Keep the bad things out of my mind, out of my mind

C Em  
I don't mind wasting time  
Am F  
Let's stop and smell the roses  
C Em  
I don't mind wasting time  
Am F  
Let's stop and smell the roses

## Acordes
