Milky Chance - Doing Good

tom:

```
                 G
Intro: Am  Em  G

                 Am
Calling you lovable
Em               G
   How are you feeling now?
                 Am
Making it all above
Em                     G
   Falling for you somehow

           Am                Em               G
I can't refuse you walking along the lonely way
                 Am            Em               G
Wish I could leave you everytime but all you say
               F          Am          G                      F
'Cause I'm doing, I'm doing, I'm doing, I'm doing, I'm doing,
I'm
    Am        G
Doing so good
        F            Am          G                     F
Am
I'm doing, I'm doing, I'm doing, I'm doing, I'm doing, I'm
doing so
    G
Good

                 Am
Calling you lovable
Em               G
   How are you feeling now?
                 Am
Making it all above
Em                     G
   Falling for you somehow

           Am                Em               G
I can't refuse you walking along the lonely way
                 Am            Em               G
Wish I could leave you everytime but all you say
```

```
                F          Am          G                      F
'Cause I'm doing, I'm doing, I'm doing, I'm doing, I'm doing,
I'm
    A         G
Doing so good
        F            Am          G                     F
Am
I'm doing, I'm doing, I'm doing, I'm doing, I'm doing, I'm
doing so
    G
Good

                 Am
Calling you lovable
Em               G
   How are you feeling now?
                 Am
Making it all above
Em                     G
   Falling for you somehow

           Am                Em               G
I can't refuse you walking along the lonely way
                 Am            Em               G
Wish I could leave you everytime but all you say

                 Am
I'm doing so good
                 Em
I'm doing so good
                 G
I'm doing so good
                 G
I'm doing so good

                 Am
I'm doing so good
                 Em
I'm doing so good
                 G
I'm doing so good
                 G
I'm doing so good
```
