Don't get me wrong, we've been here not far too long  
E Em F C  
We were falling and laughing, now we're falling apart  
E Em F C  
My baby blue, this is how I feel for you  
E Em F C  
I still want you so bad, am I losing you instead?

You, you stole my heart with grace  
E Em F C  
But I'm just dying to embrace  
E Em F C  
You, you stole my heart with grace  
E Em F C  
And I don't want you to give it back to me

[Refrão]

My baby blue, this is what we're going through  
E Em F C  
We're doing good, we're going mad and after all, it's not too bad
