

# Milky Chance - Synchronize

tom:

Intro: Gb Gb7 Bm

Bm A G A  
Smoke in the sky got me feeling so blue  
Bm A G A  
Burning down the city while I'm here with you  
D A G A  
Smoke in the sky and I'm holding you tight  
Gb Gb7  
Because

Bm  
I love the way we synchronize  
A  
We synchronize  
G  
Let the moment crystallize  
A  
Don't think twice

Bm  
I just wanna simmer

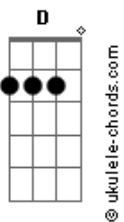

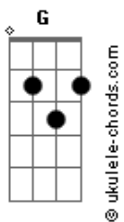

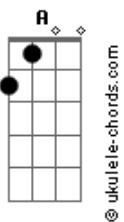

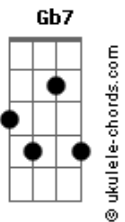

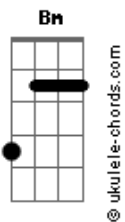

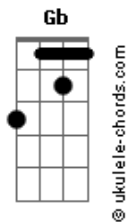

Like the way you glimmer  
A  
Pretty fires all around  
G  
Tell me, are we dreaming?

Dancing on the ceiling  
A  
Wanna keep you safe and sound

Bm A G A  
And all the smoke in the sky got me feeling so blue  
Bm A G A  
Burning down the city while I'm here with you  
D Gb G A  
Smoke in the sky and I'm holding you tight  
Gb Gb7  
Because

Bm  
I love the way we synchronize  
A  
We synchronize  
G  
Let the moment crystallize

## Acordes

A  
Don't think twice, yeah

Bm  
Feel your skin on mine

Forget about the time  
A  
Floating on a purple cloud  
G  
I don't mind as long as you hold me in your arms  
A  
We ain't never coming down

Bm  
And all the smoke in the sky got me feeling so blue  
A  
Burning down the city while I'm here with you  
G  
Smoke in the sky and I'm holding you tight, yeah

Bm  
'Cause I love the way we synchronize (I love the way we synchronize)  
A  
We synchronize (Let the moment crystallize)  
G  
Crystallize (I love the way we synchronize)  
A  
Don't think twice

Bm  
I love the way we synchronize (I love the way we synchronize)  
A  
We synchronize (Let the moment crystallize)  
G  
Crystallize (I love the way we synchronize)  
A  
Don't think twice

Bm  
(I love the way)  
A  
(I love the way we synchronize)  
G  
(I love the way)  
A  
(I love the way we synchronize)  
(Don't think twice)
