

Milky Chance - Synchronize

Don't think twice, yeah tom: Intro: Gb Gb7 Feel your skin on mine Forget about the time Smoke in the sky got me feeling so blue Floating on a purple cloud Burning down the city while I'm here with you I don't mind as long as you hold me in your arms G Smoke in the sky and I'm holding you tight We ain't never coming down Gb Gb7 **Because** And all the smoke in the sky got me feeling so blue I love the way we synchronize Burning down the city while I'm here with you We synchronize Smoke in the sky and I'm holding you tight, yeah Let the moment crystallize Bm Don't think twice 'Cause I love the way we synchronize (I love the way we synchronize) I just wanna simmer We synchronize (Let the moment crystallize) Like the way you glimmer Crystallize (I love the way we synchronize) Pretty fires all around Don't think twice Tell me, are we dreaming? I love the way we synchronize (I love the way we synchronize) Dancing on the ceiling We synchronize (Let the moment crystallize) Wanna keep you safe and sound Crystallize (I love the way we synchronize) And all the smoke in the sky got me feeling so blue Don't think twice Burning down the city while I'm here with you (I love the way) Gb Smoke in the sky and I'm holding you tight Gb7 (I love the way we synchronize) Because (I love the way) Bm I love the way we synchronize (I love the way we synchronize) We synchronize (Don't think twice) G Let the moment crystallize Acordes GЬ Gb7 Вm ukulele-chords.com
