

# Milky Chance - Unknown Song

Tom: **Ab**

**Ab**  
Through the years I have learned **Bm**  
**Fm**  
That I conquered my words  
**Ab**  
Set him up in fortune, falling in love  
**Bm**  
Love is meaning now and you are the one who made it true **Fm**  
**Ab**  
And my blood seems obviously, you are a haunted melody  
**Bm** **Fm**  
I try to forget you know memories  
**Ab**  
I'm still on the run you're begging on my knees  
**Bm** **Fm**  
Will I ever learn how to get control?

Will I ever know you covered my soul?

Chorus x2:

**Ab** **Bm**  
Woo wo oh oh wouwo  
**Fm**  
Your friends are gonna know  
**Db**  
You fked up by yourself  
**Fm**  
Y yeah yeah  
**Ab** **Bm**  
Wo uh wo oh wouwo  
**Fm** **Db**  
They'll leave you all alone and now you're on your own  
**Fm**  
Y yeah yeah

Ponte: (**Ab Bm Em**) (4x)
