RIFF 4	These past few months have been the toughest of your life. You've lost someone you love and there's no greater pain above. I know how close you were you two and the joy and love you shared.
RIFF 5 (Preste atenção na música para pegar a batida certa)	It was sweet for me to see but now it's aching inside me.

CHORUS

You wanna see her back again.
You wanna see her back into this world.
You wanna see her back again.
You wanna see her back into this world.

Verse 3 - Riff 6 (x3)
Riff 7

RIFF 7	If only she could see you now. Deep inside I think she can somehow.
	She'd be the happiest mom, she'd be so proud. She'd laugh and smile.
SOLO	-Shut up you're dreaming ! You're screaming at me loud.
	And that's the way you really feel.
