chorus (again I'll give you the chords and you figure out the rhythm)

Riff 1 is played during the chorus and for the rest of the song after this chorus.

Ok there are two different possibilities for the openong riff.
 You decide
 which one sounds right.

End on **B**

Sorry that this is all I gave ya. But I didn't feel like writing the rhythms and order of all the chords. Just tinker with what I gave ya. It's correct.

Since this is the only tab I've seen of this song... ENJOY!

This song is
