

Millencolin - Bowmore

Tom: A
 (B G A)
 Yeah I'm a hopeless sinner
 But now I smile I've found the way to spend all my money
 Taking it day by day
 At least I've found a winner
 It took a while
 But now I'm set up
 Be a patient honey
 And everything'll be okay

Yeah I'm bowmore
 Running through my veins
 They can't never hurt me in that state
 I just bottle up and go
 So no more troubles, no more pain
 More than trouble, bowmore is my faith
 At least for now I think it's all

(INTRO)
 (B G D)
 Even if I'm weren't
 I know a way to calm things down
 But I'm patient honey
 And that's the only way
 I guess I've got my days in
 And at least hear this 12 years older

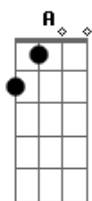

And it's make me glory in
 Yeah what more can I say
 Yeah I'm bowmore
 Running through my veins
 They can't never hurt me in that state
 I just bottle up and go
 So no more troubles, no more pain
 More than trouble, bowmore is my faith
 At least for now I think it's all

(G D)
 'Cuz I like it
 Yes I do
 Yes I like it
 And you should too
 But in the morning I'm not myself
 Oh ! I can't look myself in the mirror
 And in the morning cuz I'm afraid
 To look inside the mirror once again

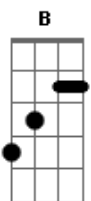

Yeah I'm bowmore
 Running through my veins
 They can't never hurt me in that state
 I just bottle up and go
 So no more troubles, no more pain
 More than trouble, bowmore is my faith
 At least for now I think it's all

(INTRO)
 I think it's all...
 = well I think it's all! = ENJOY
