

Millencolin - Brand New Game

Tom: E

E B Dbm A

Do you remember Fazil's friend?
He used to live in the House of Blend,
He told the story of his life about a fork and a knife.
He said when he was twenty-two he was mostly feeling blue,
I wonder what he's up to now, if he's changed somehow.

Ab A

Did he ever find his way to the greener side,
Or did he get his dreams tonight?

E B Dbm A

I'm not the same,
The years have passed.
It kind of scares me how it went so fast.
It's a brand new game,
The lies are past,
When all I wanted was to make it last.

E B Dbm A

Do you remember Fazil's friend?
He said we'll be friends 'til the end,
And it's awful, but do you trust the guy who's losing must?
I think he's got his fingers crossed that he got it all
across,
I hope he found the missing link,
Or did he ever start to think?

E B Dbm A

I'm not the same,
The years have passed.

It kind of scares me how it went so fast.
It's a brand new game,
The lies are past,
When all I wanted was to make it last.

Ab A

It's a brand new game and not quite what I thought.
I can't remain the same but still achieve reward.
It's a brand new game, and how were the lies of past?

E B A

When one foot's stuck in the past, (in the past)

A

How can I ever make it last? (make it last)

E Eb Dbm B

(It's all I wanted,
Yeah, I wanted it to last.
Wanted it to last.)

I'm not the same,
The years have passed.
It kind of scares me how it went so fast.
It's a brand new game,
The lies are past,
When all I wanted was to make it last.
To make it last, it's all I wanted.
Yeah, I wanted it to last.
Wanted it to last.
