                                                                                                                                                                                                                                                                                                                                                                                                                                                              Guitarra solo:
Oh can't you see
You belong to me
                                                                                                                                                                                                                                                                                                                                                                                                                                                             Refrão:
                                                                                                                                                                                                                                                                                                                                                                                                                                                             Oh can't you.....
My poor heart aches
                                                                                                                                                                                                                                                                                                                                                                                                                                                             Verso: (Abafado)
With every step you take
                                                                                                                                                                                                                                                                                                                                                                                                                                                             Outro:
Every move you make
                                                                                                                                                                                                                                                                                                                                                                                                                                                             i'll be watching you.....
Every vow you break
                                                                                                                                                                                                                                                                                                                                                                                                                                                              Gtr.2 Fill:
