Riff 2 : Everything will soon turn black,
so here's my letter.
To get it off my chest.

Riff 3 : Promise fater, don't look back,
it's not for the better.
I know you tried your best.

Riff 4 : Everybody seems so happy like they all share
something I haven't felt for years.

Riff 5 : For long I've tried to just hold on but now I don't
care
I'm closing down my thoughts and fears.
Forgive me, life is cruel.
I'm leaving you.
