

Millencolin - Mystic Reptile

```
Tom: D
                                                                I hope that you can see
Intro:
                                                                what you have changed me to
Solo 1: (D, A)
                                                                I'll never smile again
                                                                I'll never talk to you
Depois das duas vezes fica só a guitarra fazendo esse solinho: I hope that you can see
                                                                that I don't want you here
Riff 1: (abafando e soltando muito rápido)
                                                                that I don't want you here
                                                                that I don't want you...
Verso 1: (abafando rápido e soltando no D )
                                                                Solo 2(quando ele fala: "that I don't want you here"):
          abafado
    You say that most things in life is for free
    but I doubt you can be
                                                                Refrão(2 vezes)
                                                                Final(abafado, só o último acorde é solto):
           so stupid that you never see
                                                                Letra:
    I say that you and I will never be the same
                                                                You say that most things in life is for free
                                                                but I doubt you can be so stupid that you never see
                                                                I say that you and I will never be the same
    but you you never listen, never listen to what
                                                                but you you never listen to what I have to say
    I have to say
                                                                so take my piece of advice
No final das duas ultimas partes ele faz assim e começa o
                                                                always be nice
outro verso:
                                                                And you always said I'm sorry,
                                                                I wonder why you always felt so sorry
     so take my piece of advice
                                                                You always lie and never do talk clean
                                                                you say that I am such afake
   always
                  be nice
                                                                I say that you and I will never be the same
                                                                but you, you never listen, never listen to what I have to say
                                                                so take my piece of advice
                                                                always be nice
Segura no A abafado:
                                                                And you always said I'm sorry,
                                                                I wonder why you always felt so sorry
Solo 1 (2 vezes) e o mesmo solinho depois.
                                                                I never asked you to
Verso 2 (do mesmo jeito do verso 1).
                                                                ever be with me
                                                                I hope that you can see
Pré refrão.
                                                                what you have changed me to
                                                                I'll never smile again
Ponte:
                                                                I'll never talk to you
                                                                I hope that you can see
                                                                that I don't want you here
Bb (pm)
                 A (pm)
                                                                that I don't want you here
I never asked you to
                                                                that I don't want you...
              D (pm)
ever be with me
                                                                And you never said I'm sorry,
                      C (pm)
                                                                I wonder why you never said I'm sorry
