

Millencolin - Penguins & Polarbears

Tom: **B**
Intro: (**B**) **B Gb G** 3X **E Gb G**
(**B Gb G**)

I don't want you to know too much about me, oh no
'Cause I know you'll take advantage of the words that I say
You're looking for a way to depress me, make me pay
B Gb G 2X
(**B Gb G**)

You don't want me to be too close around you 'cause I would see
All the weak sides that you got, but which you're trying to hide
You know that I would nail you if I could nurse my pride

D A B
You're on the top when I am low
G D
As soon as you're fading I will grow
A B
I don't like you, you don't like me
G
We're lacking energy
Yeah, we're lacking energy
(we do)
B Gb G 2X
(**B Gb G**)

It's a mindgame we play, rule the roost, major cliché

While one of us is fit the other's going insane
And every time we think the positions will remain

D A B
You're on the top when I am low
G D
As soon as you're fading I will grow
A B
I don't like you, you don't like me
G
We're lacking energy

Yeah, we're lacking energy
D A B
So you got me up against the wall
G D
And I'm only waiting for your fall
A B
I'll get back on top and be carefree
G
It's not the end for me, no it's not the end for me

SOLO **DE BAIXO**
I know we're thinking the same and our opponent's the one to blame
B D
Thinking this way is not something that we both longed for
B D
Living this way is something we never did plan
E
But I don't think we will change
E D B
'Cause we're stuck in roles as other's antipodes
