

# Millencolin - Penguins & Polarbears

Tom: B  
 Intro: ( B ) B Gb G 3X E Gb G  
 ( B Gb G )

I don't want you to know too much about me, oh no  
 'Cause I know you'll take advantage of the words that I say  
 You're looking for a way to depress me, make me pay  
 B Gb G 2X ( B Gb G )

You don't want me to be too close around you 'cause I would see  
 All the weak sides that you got, but which you're trying to hide  
 You know that I would nail you if I could nurse my pride

D A B  
 You're on the top when I am low  
 G B  
 As soon as you're fading I will grow  
 A B  
 I don't like you, you don't like me  
 G  
 We're lacking energy  
 Yeah, we're lacking energy  
 (we do)  
 B Gb G 2X ( B Gb G )

It's a mindgame we play, rule the roost, major cliche

While one of us is fit the other's going insane  
 And every time we think the positions will remain

D A B  
 You're on the top when I am low  
 G D  
 As soon as you're fading I will grow  
 A B  
 I don't like you, you don't like me  
 G  
 We're lacking energy  
 Yeah, we're lacking energy  
 D A B  
 So you got me up against the wall  
 G D  
 And I'm only waiting for your fall  
 A B  
 I'll get back on top and be carefree  
 G  
 It's not the end for me, no it's not the end for me

SOLO DE BAIXO  
 I know we're thinking the same and our opponent's the one to blame  
 B D  
 Thinking this way is not something that we both longed for  
 B D  
 Living this way is something we never did plan  
 E  
 But I don't think we will change  
 E D B  
 'Cause we're stuck in roles as other's antipoles  
 REFRAO ( G )
