Tom: E  
Intro: Dbm A E E

Dbm A  
I see the sunlight on your face,  
E  
I see the darkness in your eyes.  
E  
In my mind, that's lover's paradox.  
Dbm A  
I always try to give you space,  
E  
No way to cut you down to size.  
B  
We got lost in our heart shape box.  
Dbm A  
Oh, should we try to have some cuts,  
E  
Or should we just go separate ways?  
Or best yet, why don't we move our grot?  
Dbm A  
Maybe Belgrade on the train,  
E  
But we can get out of this maze.  
B  
It sounds like we're both confused and bored.

Dbm A  
You know that I depend on you,  
E  
You know that you depend on love.  
And then love, well, love depends on me.  
Dbm A  
From my subjective point of view,  
E  
It never works like hand in glove.  
B  
But still I, I hope you disagree.
