 Intro: D E C G D

I am, the one, who can see myself
 Tonight, is cold, it's raining outside there
 I know, that you, that you can feel yourself
 Of other cheats and sadness
 It's all i've meant in two lives
 Day after day

Night by to night
 I've been waiting to love again
 Day after day
 Night by to night
 Love is waiting inside your heart
 Someday, somehow, we'll have to say good bye
 To you, and me, two fates will alive
 You are, the one, yes all because of you
 All the things you feel well, turning into love
