

Roger Miller - In The Summertime

Tom: E

In the summertime

When all the trees and leaves are green

And the redbird sings, I'll be blue

'Cause you don't want my love

Some other time

That's what you say when I want you

Then you laugh at me and make me cry

'Cause you don't want my love

You don't seem to care a thing about me
You'd rather live without me

Than to have my arms around you

When the nights are cold and you're so all alone

In the summertime

When all the trees and leaves are green

And the redbird sings, I'll be blue

'Cause you don't want my love

Once upon a time
You used to smile and wave to me
And walk with me but now you don't
'Cause you don't want my love

Some other guy
Is takin' up all your time
Now you don't have time for me
'Cause you don't want my love

You don't seem to care a thing about me
You'd rather live without me

Than to have my arms around you
When the nights are cold and you're so all alone

In the summertime
When all the trees and leaves are green
And the redbird sings, I'll be blue
'Cause you don't want my love
