G C G  
Life always dumps something in your lap  
G C A7Sus4  
You're constantly busy redrawing your map  
C A7Sus4 C  
You leave behind a fading trail  
G A7Sus4 G  
Of images and words that you hope will prevail  
  
G C G  
Life always dumps something in your way  
G C A7Sus4  
You try to make the best of it everyday  
C A7Sus4 C  
You could give up and give in but you prefer

To keep hoping some kind of change might occur  
G A7Sus4 C  
Just hoping some kind of change might occur  
  
G C G  
Misery sure loves company  
G C A7Sus4  
And nobody's ever who they seem to be  
C A7Sus4 C  
The daily horror of people at their worst  
G A7Sus4 G  
And most selfish, one day, your bubble will burst  
  
G C G

So much time should not have passed  
G C A7Sus4  
At least not that way and not so freekin' fast  
C A7Sus4 C  
It wasn't always easy, it wasn't always fun  
G A7Sus4 G  
But it was always worth it, regrets I have none  
G A7Sus4 C  
It was always worth it, regrets I have none
