

Milow - Until The Morning Comes

Tom: C

F Am
your clothes spread out of the floor
just like it was before a homerun is a hit I'll never score
the hours before the break of dawn
are as fragile as a song and can go on and on and on

C G F C
we wait for the light to break through the summer night
Am F C G
I hope I run into you tomorrow
C G F C
and I hope you will talk to me until
C G F Am
the morning comes until the morning comes

F Am
looking for my clothes on the floor
F C
I gently close the door in times like these you're all I'm
looking for
F Am
I swear to God I know that I
F C
want to struggle to get by the fact that all the good things
someday die

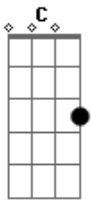

C G F
because all the good things someday die

C G F C
we wait for the light to break through the summer night
Am F C G
I hope I run into you tomorrow
C G F C
and I hope you will talk to me until
C G F
the morning comes until the morning comes
C G Am
the morning comes until the morning comes

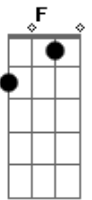

Dm Am
until the morning comes
Dm C G C G F
until the morning comes
(F C F C Am F C G)

C G F C
we wait for the light to break through the summer night
Am F C G
I hope I run into you tomorrow
C G F C
and I hope you will talk to me until
C G F
the morning comes until the morning comes
C G
the morning comes until the morning comes
