

# Mimi & Josy - What Are We Afraid Of

tom:

G  
There's a secret I must tell you  
And you can't find it in the streets  
You can't find it in the mountains or the parks  
So beautiful and green  
Am D  
We have the chance to help each other  
Am D  
No time left to waste around  
Am D  
Call our sisters, call our brothers  
Am  
For too many falling down  
Refrão

G  
But, what are we afraid of?  
Am7  
What is it we're scared of?  
Em7  
Come keep trying  
Am7  
There's no denying  
G  
Listen to the children  
Am7  
Our generation  
Em7  
Come keep trying  
Am7 C  
There's no denying

G D C  
We are young but we are mighty  
G D C  
Let's use our power now for good  
G D C  
Oh, people hungry, people crying  
G D C  
Just a few changes, if we could  
Am D  
We have the chance to help each other  
Am D  
No time left to waste around  
Am D  
Call our sisters, call our brothers

Am  
For too many falling down  
G  
But, what are we afraid of?  
Am7  
What is it we're scared of?  
Em7  
Come keep trying  
C  
There's no denying  
G  
Listen to the children  
Am7  
Our generation  
Em7  
Come keep trying  
Am7 C  
There's no denying  
Am  
There's no denying  
G  
If we keep trying  
Cadd9  
We're breaking the rules  
D  
And you're caving us down  
Am  
Together we're stronger  
G  
We can live longer  
Cadd9 D  
There's just one way you can understand  
G  
But, what are we afraid of?  
Am7  
What is it we're scared of?  
Em7  
Come keep trying  
Am7  
There's no denying  
G  
Listen to the children  
Am7  
Our generation  
Em7  
Come keep trying  
Am7 C  
There's no denying  
G C
