

Mimi & Josy - What Are We Afraid Of

tom: D There?s a secret I must tell you G D And you can?t find it in the streets G D C You can?t find it in the mountains or the parks So beautiful and green We have the chance to help each other D No time left to waste around Call our sisters, call our brothers For too many falling down Refrão But, what are we afraid of? Am7 What is it we?re scared of? Em7 Come keep trying Am7 There?s no denying Listen to the children Am7 Our generation Em7 Come keep trying Am7 C There?s no denying D We are young but we are mighty D C Let?s use our power now for good G D Oh, people hungry, people crying D Just a few changes, if we could We have the chance to help each other No time left to waste around Call our sisters, call our brothers

For too many falling down But, what are we afraid of? What is it we?re scared of? Em7 Come keep trying There?s no denying Listen to the children Am7 Our generation Em7 Come keep trying There?s no denying There?s no denying G If we keep trying We?re breaking the rules And you?re caving us down Together we?re stronger We can live longer Cadd9 There?s just one way you can understand But, what are we afraid of? Am7 What is it we?re scared of? Fm7 Come keep trying Am7 There?s no denying Listen to the children Am7 Our generation Em7 Come keep trying There?s no denying Hohohohoho
