

Minimal - Self

Tom: B

m [Intro] Bm A Bm A
Bm A Bm A

Bm A
Darkness came, dressing the day with hope
Bm A
The morning lights, rising with sheets of gold
Bm A
I can't remember, how the streets were cold
Bm A
Haunted by fears, were light shades of old

Em A D Bm A
And all I remember, timing was always in fault
Em A D Bm A
So we started wondering if it would feel like home

(Bm A Bm A)
(Bm A Bm A)

Bm A
And the morning began, filling the day with glow
Bm A
Lights of hope, you were still right beside me oh
Bm A Bm A
And my broken pieces, the blow just seemed so low

Em A D Bm A
And cutting me deeper, the truth never made me feel so
Em A D Bm A
The sun you're out shining, mending my heart and soul

Em G D A
Oh Oh Oh

Em G
Shine down me so, may the heavens know
D A
Selling my lies never made me feel whole

Em G A
So take me ho-oh-me
Em G A

So take me ho-oh-me

(Bm A Bm A)

Bm A
It ain't always hard or deep in your bones
Bm A
You tryna hide, life is not a throne
Bm A
You can go far I've always known

Em A
And you can keep shining
D Bm A
Mending your heart and soul

Em G D A
Oh Oh Oh

Em G
Shine down me so, may the heavens know
D A
Selling my lies never made me feel whole

Em G A
So take me ho-oh-me
Em G A
So take me ho-oh-me

G Bm
It ain't always hard, who sold you lies?

A
It cut me deep, kept me high

G Bm
It ain't always hard, if you try
A

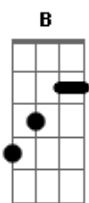

Em G A
So take me ho-oh-me

Em G A
So take me ho-oh-me

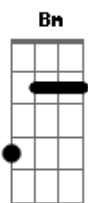

Em G A
So take me ho-oh-me

Em G A
ho-oh-oh ho-oh-oh ho-oh-oh
