

Ministério Adoração e Vida - Hero

Tom: C

On the highest place we find
 The very reason why we exist
 And His arms are always open
 In a love you cannot compare
 With a hug He welcomes mankind
 Lord Jesus Christ, Redeemer God

On the highest place He was
 Lifted up to save all of us
 Where His precious blood was shed down
 Where His life has conquered it all

Where his love was poured down on us
 On Calvary Mount He died to give life

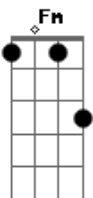

Here of this great earth of ours
 Hero of each and every man
 Hero of all generations
 Lord Jesus Christ on the Holy Cross

Hero of all of the people
 Hero of the entire history
 Hero the greatest of all time
 Lor Jesus Christ on the Holy Cross
 Has led us to triumph
