tom:

Intro: **Gadd9** **Bm** **Aadd9**

**Gadd9**  
 O meu maior desejo é subir e contemplar  
**Bm7** **Aadd9**  
 Tua face, o Teu rosto  
**Gadd9**  
 Diante do Teu trono te louvar e Te adorar  
**Bm7** **Aadd9**  
 Com meu canto, com meu canto

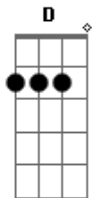

**Em7** **Bm7**  
 E unido eu estarei

**Em7** **Bm7**  
 À todos os anjos e santos  
**Em7** **Bm7**  
 Te bendizendo, ó meu Deus  
**Em7** **Bm7**  
 Será eterno o descanso

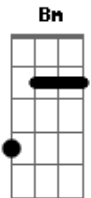

**Gadd9** **Bm7**  
 E quando eu chegar verei  
**Gadd9** **Bm7**  
 Também, aquela que te gerou  
**Gadd9** **Bm7**  
 Com a lua debaixo dos pés  
**Gadd9** **Aadd9**  
 Refletindo Tua Glória ela está

**Dadd9** **Dadd9** **Gadd9**  
 À Vossa direita se encontra a Rainha  
**Em7** **A7**  
 Com veste esplendente de ouro de Ofir
