

Ministério Excelsis - Adorando Com Os Anjos

tom: G

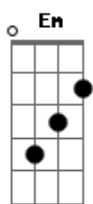

Os anjos ao redor
 Cantando e adorando a ti
 E a minha voz em meio ao coral
 Se torna uma só voz
 Iluminado estas
 Tão forte que eu mal posso ver

E eu tão maravilhado fico ao ver passar
 O grandioso Deus
 Tua benção, tua graça
 E o teu espírito vêm pra me restaurar
 Saaanto, saaaanto, rei da glória
 Digno de louvor, todas as nações
 Se ajoelharam diante a tua presença meu senhor
