

# Ministério Filhos do Eterno - O Amor É Mais Forte

Tom: G

Ebm7    Em  
Pra te salvar

G   D            Em                    Am                    Am [Solo] Bm C Am D Ebm7

D  
Se estas cansado, desanimado, sem forças pra lutar            Em                    Bm                    C Am                    D    Ebm7

G D            Em                    Am                    Am D            Em                    Bm                    C Am                    D    Ebm7

Se a dor é grande, seguir a diante difícil, esta            Am                    D                    Ebm7                    C

Em                    Bm                    C Am                    D                    Ebm7                    C

Se teu coração, esta ferido, machucado            Am                    Am                    D                    G                    D                    Em

Am                    D                    Bm                    C                    Am                    D                    Ebm7                    C

Saiba estou contigo, desde o principio sempre ao teu lado            Am                    Am                    D                    G                    D                    Em

Am                    Am                    D                    G                    D                    Em                    G                    D                    Em

O amor é mais forte, bem mais que a morte, na cruz eu paguei o            Am                    Am                    D                    G                    D                    Em

preço por te amar            Am                    Am                    D                    G                    D                    Em

O amor é mais forte, bem mais que a morte, na cruz eu deixei            G

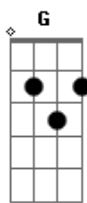

tudo pra te salvar            G

Am                    Am                    D                    G                    D                    Em                    G

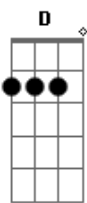

O amor é mais forte, bem mais que a morte, na cruz eu deixei            G

tudo pra te salvar            G
