

# Ministerio União de Deus - Atrai o Meu Coração

Tom: D

(intro) A G D G F A7

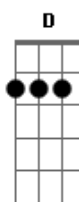

Como a chuva sobre a montanha  
 O teu amor vem sobre mim  
 Arde como o calor do sol  
 Veloz como o vento de um furacão  
 Forte como o grito de um trovão

O teu amor atrai meu coração pra ti

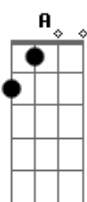

Mais perto de ti senhor  
 Eu desejo sempre estar  
 Te busco com fogo no coração  
 A tua presença é mais  
 De tudo que eu possa conquistar  
 O meu bem maior é ter o teu amor

(solo) A G D G A7 F
