(intro)

C Eb Bb G

a brados de vitória

ações de alegria

a gozo dentro do meu coração...
minh'alma te engrandece

e o meu espirito se alegra pela sua salvação...

fui lavado e remido por teu sangue...

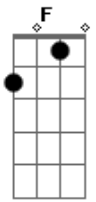

alcançado pelo seu imenso amor

ale-lu-ia quero cele-brar

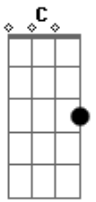

ao leao da tribo de judá

ao cor-dei-ro que foi morto em meu lugar
mais ressuscitou, ressuscitou vivo está
