

Miracle of sound - Skål

tom:

[Refrão]

Raise your horns into the air
 There is plenty ale to share
 All are welcome, take a chair
 And sing a song loud and strong

Men of war and men of care
 Maidens fierce and maidens fair
 Raise your horns into the air
 And sing a song loud and proud and strong

Skål!
 Skål!
 Sing loud and strong

Skål!
 Skål!
 A toast and a thundering song

(C G Bm)
 (Em C G Bm)

[Verso]

At the end of the eve
 We'll be welcome and warm
 By a great roaring fire
 Our voices a storm

In the warm timber halls
 We will keep out the cold
 As we bellow and belt out
 These tunes full of soul

[Refrão]

Raise your horns into the air
 There is plenty ale to share
 All are welcome, take a chair

And sing a song loud and strong

Men of war and men of care
 Maidens fierce and maidens fair
 Raise your horns into the air
 And sing a song loud and proud and strong
 Skål!
 Skål!
 Sing loud and strong

Skål!
 Skål!
 A toast and a thundering song

(Em Em D D)
 (G A B B)

[Ponte]

We're welcome and warm
 Our voices a storm
 Our voices, our voices a storm

[Refrão]

Raise your horns into the air
 There is plenty ale to share
 All are welcome, take a chair
 And sing a song loud and strong

Men of war and men of care
 Maidens fierce and maidens fair
 Raise your horns into the air
 And sing a song loud and proud and strong

Skål!
 Skål!
 Sing loud and strong

Skål!
 Skål!
 A toast and a thundering song
