Moon River
 =====
 music Henry Mancini, lyrics Johnny Mercer

V1.0 29 August 1996.

This song is from the movie Breakfast At Tiffany's. It won the Oscar for Best Song in 1961, and also Best Score. As you probably know the song was sung by Audrey Hepburn, and BTW her fingering was spot on! :-)

All tab and lyrics are as I hear them in the film.

Verse1.
 Moon River wider than a mile,
 I'm crossin' you in style, some day.
 Oh Dreammaker you heartbreaker,
 Wherever your goin', I'm goin' your way.

Verse2.
 Two drifters off to see the world;
 There's such a lot of world to see.
 We're after the same rainbow's end,
 Waitin' round the bend, my huckleberry friend.
 Moon River and me.

Some of the tab for verse 2 is the same, so refer to the lyrics above which are in the tab to see which order to play the tab in.
