

# Misc Soundtrack - Brokeback Mountain - The Wings

Tom: **G** (x2).

After watching Brokeback Mountain, I just had to find the tab for this song. Unfortunately, there were none to be found, so I decided to figure it out and tab it. Much thanks to Adam, who helped me when I was stuck. A beautiful song, which fits perfectly with the movie.

First fingerpick this all the way through:

~~~~Part 1~~~~  
2~~~~

~~~~Part  
Listen to the song for correct timing

After playing, repeat Part 1 (x3) and then repeat Part 2

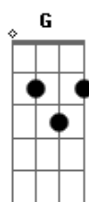

Then strum Part 3 (x3) and then Part 4 (x2):

~~~~Part 3~~~~  
4~~~~  
~~~~Part  
C7 G A7 C7m Cm A A A G G A7 G Am  
C7 C7 G

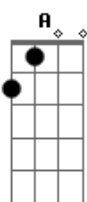

~~~~Part  
Listen to the song for correct strumming & timing

Well, that's it. It's a pretty short song, but because of it's structure, you can play around with it and make it longer if you like. Let me know if I screwed something up, and please do NOT post this on any other website without my permission!
