

Misc Soundtrack - That Thing You Do Theme

>From the movie: That thing you do
 tabbed out by: Master tabber Zinn

No one knows who this song is by because it was only made for the movie, not for radio. It's a good song though. I'll take this time to introduce myself. The name's Zinn. I play in the band called Half Baked. We tour around the north shore of Mass. and play night clubs in Boston. You'll probably hear more about us after high school in a few years. If u wanna learn more about us go to

let notes ring

My band and a few other bands are looking to have a huge outdoor concert during the summer. We are still searching for a place big enough around boston. If you are a band member of a band around or near Boston or on the East shore. E-mail me and we could possibly add you to our bill. We're on the BoRn AnD RaZeD tour going around different night clubs and earning cash.
 Well, c ya, e-mail me.
