

# Misfits - All Hell Breaks Loose

Tom: C

<sup>A</sup>  
Walls start closing in around you

<sup>C</sup> <sup>G</sup>  
My twins of evil

<sup>A</sup>  
They shake you by the collarbone

<sup>C</sup> <sup>G</sup>  
Then snap your ribcage

<sup>A</sup>  
And broken bodies in a death rock dance hall

<sup>C</sup> <sup>G</sup>  
Please be my partner

<sup>A</sup>  
Eyeballs pop, accelerated blood beat

<sup>C</sup> <sup>G</sup>  
Veins `a' shaking

<sup>C</sup> <sup>G</sup> <sup>A</sup>  
And all hell breaks loose

<sup>C</sup> <sup>G</sup> <sup>A</sup>  
Yea, evil is as evil does and who

<sup>C</sup> <sup>G</sup> <sup>A</sup>  
Yea, who but me could write this book of cruel

<sup>A</sup>  
I send my murdergram

<sup>C</sup> <sup>G</sup>  
To all these monster kids

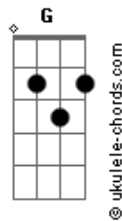

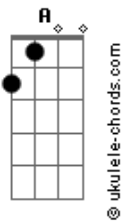

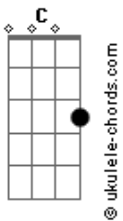

<sup>A</sup>  
It comes right back to me and it's

<sup>C</sup> <sup>G</sup>  
Signed in their parents' blood

<sup>C</sup> <sup>G</sup> <sup>A</sup>  
And all hell breaks loose

<sup>C</sup> <sup>G</sup> <sup>A</sup>  
Yea, my whole world's breaking loose

## Acordes
