

Misfits - Descending Angel

tom:

C
[Primeira Parte]

Bbm Torn from the heavens, they fall from the sky
 And walk the streets among mortal men
 They hide in shadows, keepers of the night
 Mortal life is weak, can't hold back the demons
 The blood pours as rain and soon you'll be alone

[Refrão]

Db (Oaaaao) Descending angel, stand by my side
 Db (Oaaaao) We'll face the night, descending angel
 Db (Oaaaao) We Guard the gates of Hell just one more night
 Db (Oaaaao) For in the morning...we'll bring the light

[Segunda Parte]

Bbm Born or created in the image of a god
 The heavens fall, no saviour has been sent
 No one to guide us, alone we face the night
 Mortal life is brief for the rebel angels
 They make their final stand and soon you'll be alone
