 Anything is what she is

 Anywhere is where she's from
 Bm G A Bm
 Anything is what she'll be

 Anything as long as it's mine
 Bm G D Bm
 And the door, it opens, is the way back in
 Bm G D Bm
 Or is it the way back out
 Bm G A Bm
 Anyplace is where she'll be
 Bm G A Bm
 Anyplace, she'll see you from
 Bm G A Bm
 Lies and secrets become your world
 Bm G A Bm
 Any time, anywhere, she takes me away

Bm G D Bm
 And death climbs up the steps one by one
 Bm G
 To give you the rose
 D Bm

That's been burnt by her son

Bm G D A
 Point me to the sky above
 Bm G D A
 I can get there on my own
 Bm G D A
 Walk me to the graveyard
 Bm G D A
 Dig up her bones

(Acordes do Verso)

I have seen the demon's face
 I have heard of her death place
 I fall down on my knees in praise of the
 Horrible things that took her away

(Acordes da Ponte)

And death climbs up the steps one by one
 To give you the rose
 That's been burnt by her son

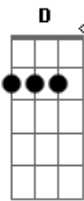

(Acordes do Refrão)

Point me to the sky above
 I can get there on my own
 Walk me to the graveyard
 Dig up her bones
 Point me to the sky above
 I can get there on my own
 Walk me to the graveyard
 Dig up her bones
