

Misfits - Living Hell

Tom: C
Intro: [(Am F G Em) 4x]

(Am F G Em)
imprisoned in this world
of darkness few have known
a monster lusting blood and the hunger grows
out on the street, danger's
real, the killer's still at large
a trail of death through sewers to the underground

F
i feel their fleeting life
Am
draw into my bones
Em
hear the heart that pounds, the blood that flows
F
eternity i damn thee let me rot into the ground
G
as the empty veins collapse, cast them down
