

# Misfits - Magic Moment

Tom: **Db**

Intro: **Db Bb Gb Ab**

**Db**  
This magic moment  
**Bb**  
So different and so new  
**Gb**  
Was like any other  
**Ab**  
Until I kissed you  
  
**Db**  
And then it happened  
**Bb**  
It took me by surprise  
**Gb**  
I knew that you felt it too  
**Ab**  
By the look in your eyes  
  
**Bb**

Sweeter than wine  
**Gb**  
Softer than the summer night  
**Db**  
Everything I want I have  
**Ab**  
Whenever I hold you tight  
  
**Db**  
This magic moment  
**Bb**  
While you lips are close to mine  
**Gb**  
Will last forever  
**Ab**  
Forever til the end of time

Sweeter than wine...  
This magic moment...
